Hotel Reservations Cancellation:

The hotel will charge a one-night deposit on each reservation via credit card, to hold any reservation. If guests do not arrive, a penalty will be charged by the hotel of one night's room rate plus applicable taxes. An early departure fee of one night's stay plus taxes will apply if a guest checks out prior to the confirmed checkout date.

For hotel cancellations whereby OCSOA in the past was charged for the cancelled room reservation, OCSOA will no longer be able to assume the cost and will charge back the cost to the individual. This is to mitigate the contractual financial penalty levied against OCSOA when a block becomes undersold due to the cancellation of overbooked rooms.
