

Dear Retiree:

Welcome to retirement! While many things are changing in your life, we hope that you will maintain your relationship with past and present members of OCSOA through membership in ROC SOA. As a retired member of OCSOA (i.e. ROC SOA member) you can keep in touch with your profession, share your expertise and expand your circle of friends.

At the OCSOA AGM in April 2009 the following motion was approved:

...the Ontario Catholic Supervisory Officers' Association approve an annual \$50 fee for ROC SOA membership regardless of the date of entry into ROC SOA.

The annual membership for retired members of OCSOA is conducted on a calendar year basis and the membership fee is fully tax-deductible. - \$50 for 2018 or the discount price of \$89 for 2 years – 2018 & 2019 (OCSOA AGM 2012).

Some of the benefits of ROC SOA membership include:

- attendance at the OCSOA Retreat and AGM *at cost (Please note that the Retreat is significantly subsidized by the association)*
- attendance at the AGM Banquet at a reduced rate of \$85
- attendance at the annual ROC SOA Event and ROC SOA Members' Luncheon at the AGM.(no charge to ROC SOA members – guests pay nominal fee)
- annual ROC SOA gift
- access to the OCSOA website (Members' Area)
- immediate details of proposed trips at great group rates
- communication via the OCSOA eNews and ROC SOA's own, *The ROC*
- information about contract opportunities for retired administrators when available
- opportunities to serve on OCSOA/provincial committees, as required.

Trusting that you will avail yourself of this opportunity to renew acquaintances and to make new ones, we remain,

John Fauteux and Michael O'Keefe
