OCSOA - CASSA - EXL Award

The EXL Award was instituted in 2002 to Recognize Excellence among Members of the Superintendency. The award is sponsored by XEROX CANADA LTD. and the Canadian Association of School System Administrators (CASSA).

As a CASSA affiliate, OCSOA can annually select an EXL nominee who meets the identified criteria. The recipient is recognized by the association at the OCSOA Annual General Meeting. EXL AWARD

**A Program to Recognize Excellence
among Members of the Superintendency**

**Jointly sponsored by XEROX CANADA LTD. and the
Canadian Association of School System Administrators**

- The EXL Award Program is based on three premises:
 - It is important to acknowledge the dedication and enthusiasm of administrators who guide children's educational experiences. Recognition is a powerful instrument for building pride in accomplishment and continued determination to pursue excellence.
 - System leaders who establish the character of a particular school system's programs through the important work with school boards, school leaders, teachers and caring parents help to determine the scope and quality of children's educational experiences
 - Children's attitudes toward learning and their perceptions of themselves as lifelong learners are established in their school years. Effective leadership, mentoring and modeling determine whether the school jurisdiction effectively creates this environment.
